

Dear Residents,

As we join our neighbors in our community's annual Spring Clean-up, the Town Council would like to remind residents to take this opportunity to improve the appearance of our personal property and homes. Some things to keep in mind:

1. Pick up litter on your property. (Ordinance 51.03)
2. Be sure to keep your trash and recycling containers out of street view, except between the evenings before and after pickup - normally Mondays. (Ordinance 51.32)
3. Remove unused or abandoned vehicles or parts on your property (Ordinance 90.00)
4. Remove all debris and junk from your yard. (defined in Ordinance 93.03)
5. Inspect your yard for prohibited materials or nuisances (defined in Ordinance 93.04)
6. Be sure to keep your property maintained above minimum standards (outlined in Ordinance 93.06, 93.07 & 93.08)

Thank you in advance for assisting in keeping Ogden Dunes beautiful.

Sincerely,

The Ogden Dunes Town Council
